

The Reward that Lasts Forever.

Why Stampix?

Stampix is a global provider of Photo Rewards. Our solution allows Travel brands to connect with customers in a truly heartfelt and personal way.

Most loyalty programs only offer *transactional rewards*, like discounts and vouchers. But after a few days, no one remembers them. Photo rewards have the power to **delight your customers** with a *reward that lasts forever*: their personal photos, printed and delivered at home - with a personalised message from your brand.

- ✓ Simple
- ✓ Powerful
- ✓ Scalable

What is in it for your brand?

Higher Retention & NPS

Customers who redeem photo rewards are happier and less likely to churn. Our cases show an increase of 30 NPS points among participants.

Customer Engagement

People love to print photos, and will spend up to 10 minutes in a custom branded web application. On average 73% will subscribe to your newsletter.

Brand building

Stand out from the competition with a reward that delivers a *personalized brand experience*. All photos carry your branding and will be kept forever.
